# OUR ROLE AS TOTALLY MOTIVATING LEADERS

FOR LEADERS WHO WANT TO EMPOWER OTHERS TO BE LEADERS

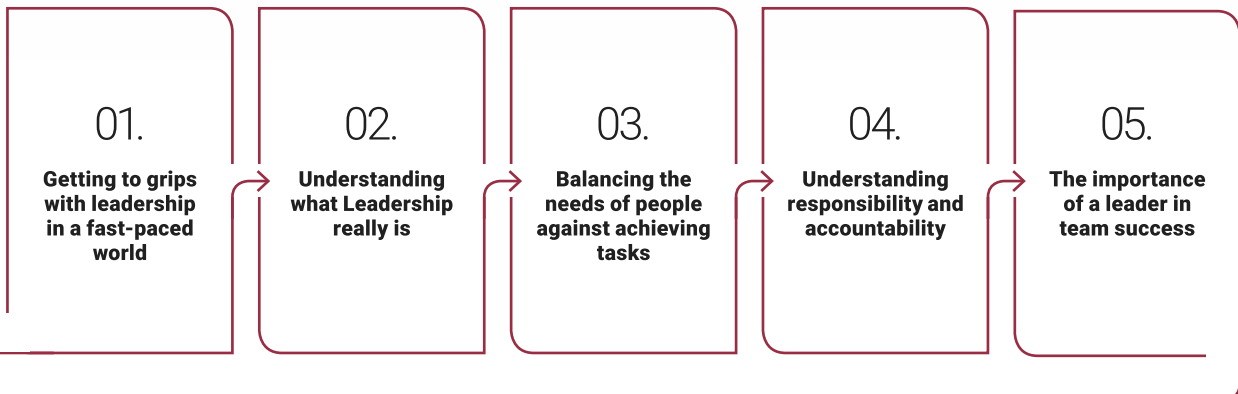

Leadership can be daunting. There is added responsibility, actions have more consequence and there are higher expectations placed on you. The Totally Motivating Leaders Journey demystifies what might seem like conflicting expectations and sets you up for success.

## OUR JOURNEY AS TOTALLY MOTIVATING LEADERS

This journey helps teams recognise that leadership is about being a leader of people, not simply a manager of tasks. Understanding this critical distinction both empowers the organisation and boosts our capacity for growth. Developed specifically for new managers in a growing, agile and disruptive environment. We consider the principles of being a responsible and accountable manager, someone who leads by example. The focus is on human connection, delegation, prioritisation and accountability.
